

Tangible Multimodal Interaction for Ubiquitous Media Interface: Touching Believable Media

Instructor: Hyungseok Kim

Date: Feb. 19 (Thr) 2:30 PM

Location: L405

Hyungseok Kim

Assistant Professor, Department of Internet & Multimedia Engineering, Konkuk University, Seoul, Korea

E-mail: hyuskim@konkuk.ac.kr

Education:

Ph.D. in Computer Science, KAIST, Daejeon, Korea (2003)

M.S. in Computer Science, KAIST, Daejeon, Korea (1996)

B.S. in Computer Science, KAIST, Daejeon, Korea (1994)

Research Interest:

Believability

Human Computer Interaction

Semantic Representation

Virtual Reality

Real-time Rendering
